As the below-named inventors, we declare that:

Our residences, post office addresses, and citizenships are as stated below under our names.

We believe we are the original, first, and joint inventors of the subject matter claimed and for which a patent is sought on the invention entitled "PAPERLESS COUPON REDEMPTION METHOD AND APPARATUS," the specification of which was filed in the U.S. Patent and Trademark Office on October 30, 2001, and assigned Application No. 10/020,587 (Attorney Docket No. 213828019US1), which application claims the benefit of U.S. Provisional Application No. 60/244,447 filed October 30, 2000.

We have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

We acknowledge our duty to disclose information which is material to the patentability of this application in accordance with 37 C.F.R. § 1.56(a).

We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that the making of willfully false statements and the like is punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of any patent issuing from this patent application.

Enclosure:

Copy of Assignment

ASSIGNMENT

WHEREAS, we, Kirk Beach and Ian Melanson ("ASSIGNORS"), having post office addresses of 23806 S.E. 59th Street, Issaquah, Washington 98029, and 6507 Angus Drive, Vancouver, B.C. V6P5J1, Canada, respectively, are the joint inventors of an invention entitled "PAPERLESS COUPON REDEMPTION METHOD AND APPARATUS," as described and claimed in the specification for which an application for United States letters patent was filed on October 30, 2001, and assigned Application No. 10/020,587, which application claims the benefit of U.S. Provisional Application No. 60/244,447 filed October 30, 2000;

WHEREAS, Coinstar, Inc. ("ASSIGNEE"), a corporation of the State of Delaware having a place of business at 1800 - 114th Avenue S.E., Bellevue, Washington 98004, is desirous of acquiring the entire right, title, and interest in and to the invention and in and to any patents that may be granted therefore in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNORS hereby sell, assign, and transfer unto ASSIGNEE, its legal representatives, successors, and assigns, the entire right, title and interest in and to the invention as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations, or extensions thereof, any other inventions described in the application, and any and all patents of the United States of America and all foreign countries that may be issued for the invention, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from the United States application to which foreign applications are entitled by virtue of international convention, treaty or otherwise, the invention, application and all patents on the invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer, and sale not been made.

UPON THE ABOVE-STATED CONSIDERATIONS, ASSIGNORS agree to not execute any writing or do any act whatsoever conflicting with this assignment, and at any time upon request, without further or additional consideration but at the expense of ASSIGNEE, execute all instruments and documents and do such additional acts as ASSIGNEE may deem

necessary or desirable to perfect ASSIGNEE's enjoyment of this grant, and render all necessary assistance required for the making and prosecution of applications for United States and foreign patents on the invention, for litigation regarding the patents, or for the purpose of protecting title to the invention or patents therefor.

ASSIGNORS authorize and request the Commissioner of Patents and Trademarks to issue any Patent of the United States that may be issued for the invention to ASSIGNEE.
